OUR MISSION

Strengthen our community by fostering healthy living, the development of young people, social connection and responsibility, in a welcoming environment for all.

FOR HEALTHY LIVING

45 YMCA LOCATIONS

offered evidence-based health initiative programs such as LIVESTRONG at the Y and Parkinson's programs, including memberships for the whole family.

FOR YOUTH DEVELOPMENT

OVER 47,100 YOUTH

learned valuable life skills in our swimming lessons program.

OVER 13,600 CHILDREN

were in quality child care for infants through preschoolers, enabling parents and family members to go to work knowing their children are in safe, stimulating environments.

23,070 KIDS

were safely cared for in before and after school in over 225 locations.

OVER 119,775 YOUTH

used their YMCA membership to make new connections and spend quality time with friends and family.

FOR SOCIAL RESPONSIBILITY

OVER 495,098 FREE MEALS

were served by our YMCAs across the state.

8,668 VOLUNTEERS

helped the Y innovate and evolve to provide relevant responses to our communities' changing needs.

OUR LEGISLATIVE PRIORITIES

CHILDCARE SUPPORT

Childcare Counts remains essential for Wisconsin early childhood care and is critical for families, businesses, and the economy.

CHILDHOOD OBESITY

Focus on funding to support nutrition, exercise, and the Healthy Weight and Your Child program.

NON-STATE GRANT

Continued support to lead local infrastructure improvements to sustain spaces for our communities through the Non-State Grant Program.
