## Your 24/7 YMCA Team of Experts

Imagine having 16 full-time, highly talented leaders join your team, each deeply knowledgeable in their field and available 24/7. This is not a dream—it's our new reality in this era of AI. A team ready to offer unparalleled support at any time.

**The YMCA AI Collaborative** is thrilled to release custom AI advisors, each specifically designed to handle complex tasks in leading and running your YMCA effectively and efficiently. These uniquely trained AI-powered YMCA advisors can answer your questions, provide expert guidance, and support your decision-making across various aspects of your strategies and operations. At this time, we believe you will need the \$20/month account on ChapGPT to access the full capacity of these AIs.

Below is an overview of each AI Advisor and how they can support you:

1. **Bailey: BOARD DEVELOPMENT Advisor-** Expertise in recruiting diverse board members, enhancing engagement, and supporting strategic planning and fundraising efforts. <https://chatgpt.com/g/g-IXVMBrWE4-bailey-the-board-development-advisor>

These first-edition AI advisors are more than tools—they are a game-changing addition to your team, uniquely equipped to provide tailored solutions and insights to help your Y thrive. Note that these Advisors are not replacements; humans need to remain in the loop while benefiting from the speed and tailored support the AI advisors provide. Please feel free to reach out if you have any questions or need further information on accessing these AI tools through your ChatGPT account.

We look forward to hearing how these AI Advisors will help your YMCA improve services, impact lives, and strengthen the foundations of your communities.

**DISCLAIMER AND RISK:** These AIs should augment the skills, talents, influence, and wisdom of the team, not replace them. AI work should be reviewed and validated, as these platforms are still being trained and can “hallucinate”. As AI technology is still in its infancy, no private, sensitive, or protected data should be uploaded on any platform. These AI Advisors are all created in an Open AI Teams account that includes additional protection and some assurances that the LLM is not training off of their use.

For information about the AI Collaborative, the use of these Assistants, AI questions or feedback about the Assistants, please contact [aicollaborative@myy.org](mailto:aicollaborative@myy.org).
